

Cultural Department

(A.Y. 2020 – 21)

Faculty in-charge:

Dr. Anagha Baldota

Student coordinator:

Atharva Bangale

The cultural department has always been an active part of the college. The students are encouraged to take part in numerous state and national level inter-collegiate cultural competitions. This year due to the pandemic very less number of competitions were hosted; nonetheless our students did not miss any opportunity to participate in the ones organized in this academic year.

Our students participated in **Symbhav 2021**. Symbhav is a prestigious competition organized by Symbiosis law college, Vimannagar. In the fashion show, our student Atharva Bangale grabbed the title of Mr. Symbhav; Runners up position was bagged by another student of our college AmeyGhodajkar; Urja Neurgaonkar was awarded Runners up for Miss. Symbhav.

Another event wherein our students took part was **Astitva 2020 -organized by MIT, Kothrud**. Akhilesh Kakade was awarded as runners up for the instrumental competition.

The cultural department hosts an intra-college cultural fest each year **“INDRADHANUSH”**. This year amidst the pandemic the department managed to organize a successful virtual cultural fest with a cause. The mode of the fest was totally online however the students managed to portray their skills and enjoy their fest sitting at their homes. Since the fest was online it was a little challenging for the department to form coordination between the volunteering students and to bring everyone together. However, the response from the students was overwhelming. Once the department had confirmed the conduct of the fest a core committee was formed of students along with the faculty in-charge. The students coordinating heads were the students from 5th Year B.A.LLB- Atharva Bangale, Nihal Singh and Simran Mutalik. Under the guidance of the core committee initial general Meetings were held open to all the students wherein they were informed about the online fest and ideas were collected from the students as to the theme of the entire fest and different events that could be held during this time. The students were also asked to register themselves for the posts of event coordinators and volunteers and to a surprise the department had around 150+ working volunteers and 50+ event coordinators. The entire fest ‘Covid Pandemic: two sides of the coin’ and its activities were based on the current pandemic situation and with a motive to encourage a brighter side of the situation wherein we believed to convey that this time too

shall pass and we are all together in this situation and hence it became **“INDRADHANUSH- This time for a cause”**.

The events that were selected for the fest were around 23 in number and a mixture of various art forms ranging from painting, dance, singing, instruments, acting, quizzes to many more such activities. This year various new events were also introduced in the fest which took place for the first ever time in the history of INDRADHANUSH. This year the department introduced Mr. and Ms. Indradhanush which was a fashion pageant, then stand up comedy was introduced along with dress your pet which was all about dressing your pets.

This year taking the benefit of the online mode the families of the students were also allowed to take part in certain events which was never possible in offline mode. The event coordinators were decided and each event had 2 coordinators along with a minimum of 5 volunteers in each event group. The groups were asked to create various promotional posters in order to promote their individual event. Since this year the fest was online the main work that was recognized was of the technical department along with the PR and social media. These two sub-departments were taken care by Atharva Bangale, Amey Ghodajkar, Urja Mishra, Simran Mutalik and UrjaNeurgaonkar.

The posters created were published and promoted on various social platforms. The event groups were very creative in these aspects and a lot of hard work was also seen in the initial phase itself. Registrations for each event were opened and the students from all the classes participated with great enthusiasm. A fun chat session was conducted with the alumni of the cultural department which was recorded and later published. As a gesture of memory for everyone away from college fest T-shirts were designed with a unique logo depicting a “key” as a symbol of solution to all the problems of the pandemic. The logo was created by one of our own student Mandar Deshmane. These T-shirts along with a sweet message on behalf of the department were sent to all the students via speed post and the students wore these T-shirts during the fest with utmost love towards the cultural department and the college.

The fest was scheduled from 8th June 2021 to 13th June 2021 making it a long 6 days event. On 8th June the Inauguration ceremony took place and the Chief Guest for the event was Mr. Sunandan Lele, a renowned sports journalist. The ceremony took place in the presence of Adv. Nitin Apte, CDC Chairman SNFLC, Officiating principal Mrs. Nalini Ambad and all the faculty members. The ceremony and further all the events were regularly live streamed on the official you tube channel of our college. After the inaugural the events commenced one after the other and on the first day only two events were held firstly the Fashion pageant and secondly online gaming. The judges for each event were our very own faculty and non-teaching staff along with some expert alumni for certain skill-based events. The entire rush of events and each group internal working along with checking the rule sheets was managed by Nihal Singh and his team. The coordination between judges and the computation department was taken care by Simran Mutalik and her team.

On 9th June 2021 there were 5 events in total namely face mask painting, instrumental, solo singing competition, mono acting and online gaming final rounds. On day 3 of the fest i.e., 10th June 2021 canvas painting along with 2 quiz competitions- Bollywood quiz and web

The final day began with the treasure hunt competition along with poetry writing, dance competition and finally the fest ended with the dress you pet event. Another event which was a part of the fest was photography and the photos of the participants were circulated in between of various events.

On 13th June the entire fest came to the conclusion with the valedictory session for which we were honored to have Mr. Virajas Kulkarni, television actor as our Chief Guest. Our chairman sir along with our officiating principal and the entire faculty graced the event with their presence. A fun interactive session was conducted with the chief guest by Arya Jagtap and later a short video was presented in honor to salute all the unsung covid warriors that our very own students had found from their local areas across the country. One of the events was Safarnama- capture the entire fest. The videos of this competition were presented in the concluding ceremony. A video of the college tour was also displayed to the students as a refreshing memory since everyone has been away from the college for over a year now.
